

Workshop
on
Foundations of Real Analysis
November 10–11, 2017

Organized by

Department of Mathematics
Panampilly Memorial Government
College, Chalakudy

Academically supported by

Institute of Mathematics
Research and Training

$$\frac{a+b}{a} = \frac{a}{b} = \varphi \approx 1,61803$$

Sir/Madam,

The Department of Mathematics, Panampilly Memorial Government College, Chalakudy organizes a two day Workshop on **Foundations of Real Analysis** on 10th & 11th of November 2017 with the academic support from Institute of Mathematics Research and Training (IMRT). We solicit the esteemed presence and active participation from your institution.

With warm regards,

Dr. N. Jayakumar
Principal

Dr. G. N. Prakash Sri. K. Krishnadas
Head of the Department Co-ordinator

About the College

Panampilly Memorial Government College, Chalakudy was established in 1975, it is wholly owned and managed by the Government of Kerala. It marked the fulfillment of a long cherished aspiration of the people of this semi-urban highland geographical entity. The college is situated at Potta, 6 Km away from Chalakudy town.

About the Department

The Department of Mathematics started its functioning in 1998. In 2012 department upgraded with PG in Mathematics. The department frequently conducts National level seminars/workshops. Currently the department offers graduate and post-graduate courses in mathematics. August 2016 onwards the Department organizes a monthly lecture series MATH-

a LET(Mathematical Analysis Through Hearty Lectures by Eminent Teachers) for PG students.

About the IMRT

The Institute of Mathematics Research and Training(IMRT) was established in 2015 under the leadership of Dr. K. S. S. Nambooripad(Former Professor and Head, Department of Mathematics, University of Kerala, Thiruvananthapuram). One of the objectives of the institute is to conduct educational training programmes including seminars, conferences, symposia, short term and long term courses for both teachers, researchers and students of schools, colleges and universities.

About the Workshop

The workshop aims at providing new insight into the foundations of Real analysis. Lectures and problem solving sessions are planned. The four sessions of the workshop are interconnected and sequentially arranged. Targeted participants are First year M.Sc. students, but final year PG students are also allowed.

Invited Speakers

Dr. A. R. Rajan
Former Professor and Head
Department of Mathematics
University of Kerala, Thiruvananthapuram

Dr. E. Krishnan
Former Professor and Head
Department of Mathematics
University College, Thiruvananthapuram

Dr. M. N. Narayanan Namboothiri
Emeritus Professor
Department of Mathematics
CUSAT, Cochin

Dr. K. Manilal
Assistant Professor of Mathematics
University College, Thiruvananthapuram

Organizing Committee

Patron	Dr. N. Jayakumar Principal Dr. G. N. Prakash Head of the Department
Co-ordinator Members	Sri. K. Krishnadas Smt. Jeepamol J. Palathingal Sri. Albert Antony T Smt. Magi P. M. Sri. Shajeeb P. U. Dr. Sathian M. K. Sri. Sajeew Krishnan M. A. Kum. Nikhila Reghuthaman Kum. Sukanya T. S.

Registration

Those who wish to participate in the workshop are requested to contact the coordinator, on or before 5th November 2017.
